

Dear Customer,

Thanks for your interest in El Callejon Restaurant.

Since we've opened our doors, we have been doing all we can to satisfy our customers, either when we serve their parties or our regular restaurant patrons.

Over the years we have accumulated lots of experience about catering parties and special events. We can do it in the restaurant, or we can go to your place.

We always try our best to make things easy on you at a reasonable price. To that effect we have created some suggested menus that should fit most needs, yet if none of these suggestions quite meet your needs, please feel free to create your own out of our menu and we will be happy to make a quote for you.

The prices listed at the bottom of each menu are prices per person for in the restaurant parties or for parties that choose to pick up the food, however we can serve the event for an additional 20% of the listed price.

For purposes of efficiency and presentation, we can only cater events of 25 people or more.

We can also provide the beverages you might need. We will be happy to discuss this option with you.

The only thing we need to reserve your event is a credit card number and we will take care of the rest.

Again, thanks for choosing El Callejon and we hope we can make your event a success...
